**DECLARATION OF KEVIN A. MARTIN CERTIFYING
THE TABULATION OF VOTES ON, AND THE RESULTS OF
VOTING WITH RESPECT TO, THE SECOND AMENDED JOINT PLAN
OF REORGANIZATION OF DEBTORS AND DEBTORS IN POSSESSION**

I, Kevin A. Martin, make this Declaration under 28 U.S.C. § 1746 and state as follows:

1. I am over eighteen years of age and not a party to the above-captioned action.
2. I am employed as a Senior Manager of The BMC Group, Inc. ("BMC"), the claims, noticing and balloting agent for the above-captioned debtor and debtors in possession (collectively, the "Debtors"). I have been an employee of BMC for seven years. My business address is 444 N Nash Street, El Segundo, CA 90245.
3. Capitalized terms not otherwise defined herein have the meanings given to them in the Second Amended Disclosure Statement Pursuant to Section 1125 of the Bankruptcy Code for the Second Amended Joint Plan of Liquidation of Debtors and Debtors in Possession (Docket No. 1183) (the "Disclosure Statement"), the Second Amended Joint Plan of Liquidation of Debtors and Debtors in Possession (Docket No. 1180) (as it may be further amended, the "Plan") and the Order (I) Approving Second Amended Disclosure Statement with

Modifications, (II) Establishing Procedures for Solicitation and Tabulation of Votes to Accept or Reject Joint Plan of Liquidation, (III) Scheduling Hearing on Confirmation of Joint Plan of Liquidation and (IV) Approving Related Notice Procedures (Docket No. 1187) (the "Solicitation Order").

4. By the Order, Pursuant to Bankruptcy Rule 2002, 28 U.S.C. § 156(c), and Local Bankruptcy Rule 5075-1, Appointing BMC Group, Inc. as Claims and Noticing Agent (Docket No. 73), which was entered on or about May 29, 2009, BMC was retained by the Debtors, among other purposes, to assist the Debtors with the mailing and tabulation of ballots in the Debtors' chapter 11 cases. I am the employee of BMC that was responsible for coordinating all aspects of the solicitation, balloting and tabulation process in these cases. This Declaration sets forth the actions taken by employees of BMC, including persons working at my direction and under my supervision, in BMC's capacity as voting agent in these chapter 11 cases.

5. The Disclosure Statement, the Plan and the Solicitation Order served as BMC's guide for the solicitation and tabulation of votes to accept or reject the Plan.

6. Pursuant to the Solicitation Order, Classes 1, 2, 5, 6, 7 and 8 were identified as Non-Voting Classes, with respect to which votes to accept or reject the Plan were not required. Therefore, the holders of Claims in these Classes were not solicited to vote.

7. Commencing on January 14, 2010, pursuant to the Solicitation Order and in accordance therewith, BMC solicited votes from the holders of Claims in the following impaired Classes:

Class 3 — Customer Note Claims; and

Class 4 — General Unsecured Claims.

Pursuant to the Solicitation Order, with respect to holders of Class 4 Claims whose Claims arise from the beneficial ownership of Notes (each, a "Beneficial Owner") held through a broker, bank, dealer or other agent or nominee (each, a "Master Ballot Agent"), both a Master Ballot, to be executed by the Master Ballot Agent, and Ballot Form No. 3 Individual Ballots ("Individual Beneficial Owner Ballots"), to be executed by the Beneficial Owners, were provided to the Master Ballot Agents. Master Ballot Agents were instructed to complete their Ballots utilizing only the information included in the Individual Beneficial Owner Ballots that comply with the Solicitation Order.

8. The solicitation was completed by January 15, 2010 and was conducted in accordance with the Solicitation Order and the Solicitation Procedures.

9. Pursuant to the Solicitation Order, the Voting Deadline was established as 5:00 p.m., Eastern Time, on February 12, 2010. Accordingly, to be tabulated by BMC, the original form of Class 3 and 4 Ballots (including Master Ballots) with an original signature must have been properly executed, completed and delivered to BMC either by (a) mail in the return envelope provided with each Ballot, (b) overnight courier, (c) personal delivery or (d) for Master Ballots only, via facsimile, so that, in each case, they were received by BMC no later than the Voting Deadline.

10. Upon receipt of Ballots, BMC adhered to the following procedures:

- a. Personnel employed by BMC opened all envelopes upon receipt and removed all Ballots.
- b. All Ballots were stamped with the date received.
- c. Pursuant to the Solicitation Order, BMC determined the temporarily allowed amount to be assigned to each Ballot cast. Proper and duly executed Ballots cast either to accept or reject the Plan that were timely received were accumulated and totaled in accordance with the tabulation

rules established by the Solicitation Order.

11. None of the holders of Claims in Class 3 returned a Ballot. Therefore, none of these parties voted to either accept to reject the Plan. Below is a summary of the other Class entitled to vote, pursuant to the Solicitation Order, and the voting tabulation with respect to all Ballots received from such Class, including any potential insider votes (but not including any Ballots cast or to be cast by the Pension Benefit Guaranty Corporation (the "PBGC")):

IMPAIRED CLASS AND DESCRIPTION	ACCEPT		REJECT	
	VOTES COUNTED	AMOUNT	VOTES COUNTED	AMOUNT
Class 4 General Unsecured Claims With Potential Insiders Without PBGC Claim	493 88.04%	\$27,593,487.67 88.85%	67 11.96%	\$3,463,332.39 11.15%

12. The Debtors provided BMC with a list of parties that potentially could be considered to be "insiders," as that term is defined in 11 U.S.C. § 101(31). The results of the tabulation of the properly executed and timely Ballots in Class 4, excluding the votes of such potential insiders (and, again, not including any Ballots cast or to be cast by the PBGC) are as follows:

IMPAIRED CLASS AND DESCRIPTION	ACCEPT (EXCLUDING INSIDERS)		REJECT (EXCLUDING INSIDERS)	
	VOTES COUNTED	AMOUNT	VOTES COUNTED	AMOUNT
Class 4 General Unsecured Claims Without Potential Insiders Without PBGC Claim	490 87.97%	\$26,453,962.12 88.42%	67 12.03%	\$3,463,332.39 11.57%

13. I am advised that, on February 16, 2010, a proposed settlement agreement (the "PBGC Agreement") between the Debtors and the Pension Benefit Guaranty Corporation was executed and filed with the Court. I am further advised that the Debtors' request for the entry of an order approving the PBGC Agreement seeks an extension of the voting deadline for

the Pension Benefit Guaranty Corporation to 4:00 p.m. on February 16, 2010 and seeks to permit voting by facsimile or electronically by the PBGC. A Ballot of the Pension Benefit Guaranty Corporation has, in fact, been received electronically by BMC by 4:00 p.m. on February 16, 2010. The results of the tabulation of the properly executed and timely Ballots in Class 4, excluding the votes of such potential insiders but including the Ballot cast by PBGC, is as follows:

IMPAIRED CLASS AND DESCRIPTION	ACCEPT (EXCLUDING INSIDERS)		REJECT (EXCLUDING INSIDERS)	
	VOTES COUNTED	AMOUNT	VOTES COUNTED	AMOUNT
Class 4 General Unsecured Claims Without Potential Insiders With PBGC Claim	491 87.99%	\$167,653,962.12 97.98%	67 12.01%	\$3,463,332.39 2.02%

14. Attached hereto as Exhibit A is a tabulation report that provides both summary and detail of all timely received Ballots (the "Tabulation Report"), not including the claim of the Pension Benefit Guaranty Corporation. The attached Tabulation Report also identifies the Ballots that were received but not counted, including the reason why such Ballot was excluded.

15. The tabulation of Ballots has been performed consistent with the Solicitation Order and the Tabulation Rules (approved by the Solicitation Order). In addition, the following rules were utilized in tabulating ballots: (a) any Ballot that was properly completed, executed and timely returned to but did not indicate an acceptance or rejection of the Plan, or indicated both an acceptance and rejection of the Plan, was not counted; (b) if a creditor cast more than one Ballot voting the same Claim before the Voting Deadline, the latest-dated properly executed Ballot received before the Voting Deadline was deemed to reflect the voter's intent; (c) creditors were required to vote all of their Claims within a particular class under the Plan either to accept or reject the Plan and could not split their votes; and (d) where any portion of a single Claim has

been transferred to a transferee, all holders of any portion of such single Claim were (i) treated as a single creditor for purposes of the numerosity requirements in section 1126(c) of the Bankruptcy Code (and for the other voting and solicitation procedures set forth herein) and (ii) required to vote every portion of such Claim collectively to either accept or reject the Plan. In the event that (a) a Ballot, (b) a group of Ballots within a Plan class received from a single creditor or (c) a group of Ballots received from the various holders of multiple portions of a single Claim partially rejected and partially accepted the Plan, such Ballots were not counted.

16. All Ballots received by BMC are stored at BMC's Chanhassen office located at 18750 Lake Drive East, Chanhassen, MN 55317, and are available for inspection by the Court or any party in interest.

I declare under penalty of perjury that to the best of my knowledge the foregoing is true and correct.

Executed on February 16, 2010
